

Jim Sutherland

Jim Sutherland is one of 5 partners in a fourth generation family business and he remains deeply rooted in the community he was born and raised in. He played all of his minor hockey right here in Richmond, beginning on the small practice rinks at the original Seafair building, then up the ranks with RMHA through to Juvenile.

He began officiating both hockey and ringette at the age of 12, and took on the position of head-referee with Richmond Ringette, while attending Langara College and UBC. This position included a seat on the Richmond Ringette board of directors.

Jim has coached hockey and ringette, and eventually lacrosse in our community since the age of 18. He has served on both the Seafair Minor Hockey and as of this calendar year, the Richmond Ball Hockey boards.

If a board position is attained, he very much looks forward to serving the membership of the Richmond Jets Minor Hockey Association.
