## AGM 2021 – Annual Registrar Report

### Richmond Jets Minor Hockey AGM – June 1<sup>st</sup>, 2021

#### 2020/2021 Season Summary:

This was a season like no other. The 2019/2020 season came to an abrupt end when the pandemic took hold. The entire 2020/2021 season was dictated by Covid-19, the PHO and the restrictions imposed upon us. This season saw 801 players registered for programs on a total of 51 teams.

Intro to Hockey	not offered
U6 (Initiation Minor)	50 players for 3 teams
U7 (Initiation Major)	47 players for 3 teams
U8 (Novice Minor)	56 players for 4 teams
U9 (Novice Major)	77 players for 5 teams
U11 (Atom) – Rep	49 players for 3 teams
U11 (Atom) – House	77 players for 5 teams
U13 (Pee Wee) – Rep	67 players for 4 teams
U13 (Pee Wee) – House	96 players for 6 teams
U15 (Bantam) – Rep	37 players for 2 teams
U15 (Bantam) – House	91 players for 6 teams
U18 (Midget) – Rep	34 players for 2 teams
U18 (Midget) – House	88 players for 6 teams
U21 (Juvenile) – Rep	16 players for 1 team
U21 (Juvenile) – House	16 players for 1 team

As you can see by numbers, we were down in registration numbers from the previous year. We had a significant number more registered at the beginning of the season but due to covid some families chose to withdraw. We also had 70 plus participants move to other programs such as Zone teams, Hockey Academies, Junior leagues and other unsanctioned organizations.

The Jets hosted another successful, fully enrolled First Shift program this season. As this session was offered in the second half of the year, we were not able to move the participants into a Jets program the same season, usually referred to as Second Shift, but we are seeing many of them register for the 2021-2022.

Unfortunately, due to the pandemic we were not able to offer the Intro to Hockey program this past season but are adding it back for the upcoming season.

Although it was a difficult season in many ways, there was some positive come from it as well. We had many individuals step up and take the training to become the team HCSP so they could take on the position of Covid Organizer. This will ensure that we have a good number of Safety (HCSP) to draw on in the coming seasons.

I would like to take this opportunity to thank all the team officials, volunteers, and executive for the countless hours they have put in this season (and always) for keeping the Jets membership engaged and safe.
