Hey Coaches! Referees are in a learning environment. **Please be supportive!**

Every sport is challenged with referee/official recruitment and retention. Make sure you approach our youth officials after games and reassure them that they are doing a great job! During the game, model behaviour that reinforces support for them. Don't allow your players, or yourself, to berate them. They will make mistakes, just like your players will. Let's help them build their confidence and create a positive sports culture!

5) Tournament Format

a) Round Robin Games

Divisions with 6 teams

All teams will play four (4) round robin games.

Richmond Jets Ice Breaker Rep Tournament October 6-9 2023

Teams will be awarded 2 POINTS FOR A WIN, 1 POINT FOR A TIE, AND 0 POINTS FOR A LOSS. Goal differential will also be recorded with no team able to record a + rating of greater than 6 goals per game. Teams standing after the round robin will be based on total points earned. If two or more teams have equal number of points at the completion of round robin play, the position in the standings will be determined as follows;

- Head-to-head results*
- Team with the most wins
- Best overall PLUS\ MINUS rating (max goal difference of 6 per game)
- Team with the least penalty minutes
- Coin Toss (home team chooses "heads/tails")

** In the case where there 3 or more teams are tied, head-to-head results are only applicable if ALL teams that are tied have played against each other, otherwise, it will revert to the next tie breaking rule.*

b) Play-offs

Divisions with 6 teams

The top 4 team play in the Semi Finals

The 5th and 6th place teams play a final consolation game

The 2 winning semi-final teams move on to the Championship Game

The 2 losing semi-final teams move on to the Bronze Medal Game

Divisions with 8 teams

All 8 teams participate in the quarter finals

The 4 winning quarter final teams move on to the semi-finals

The 4 losing quarter final teams play a final consolation game

The 2 winning semi-final teams move on to the Championship Game

The 2 losing semi-final teams move on to the Bronze Medal Game

For Semi-Final and Final games, each team will have **ONE 2 minute time-out**.

c) Overtime (Semi-finals and Championship games)

In the event of a tie at the end of regular time during a quarter final, semi-final, or championship game, there will be a 5-minute sudden victory overtime period. Each team will play 4 skaters and a goaltender. Penalties called during overtime will result in playing short handed but not

Richmond Jets Ice Breaker Rep Tournament October 6-9 2023

with less than 3 skaters. If there is no score during the overtime period the game will go to a shoot-out.

d) Shootout

First Round – 3 shooters

Coaches will designate 3 eligible shooters* from each team. The team that wins the coin toss, will have the choice to shoot first or second. Teams will alternate shooters until all 3 of their players have shot. The winner will be determined by which team scores the most goals. Please note – when it becomes impossible for a team to win (i.e. one team scores on their first two attempts, and the other team scores no goals on their first two attempts) then the remaining “shooters” will not be required to shoot. If after all 6 shooters have shot, and the score is still tied – we then move onto the “Second Round – Sudden Death”

** Players who are serving a penalty in Overtime, and whose time has not elapsed before the end of the overtime period, will not be eligible to be a shooter in the First Round of the Shootout.*

e) Second Round - Sudden Death

Coaches will choose one shooter at a time (must not have shot before). Whichever team went first in the first round, will now go second in the “Second Round – Sudden Death”. Shootout will be Sudden Death. If Team A's shooter scores and Team B's shooter does not, then Team A wins (and vice-versa). If both Team's shooters both miss or both score, both teams will select another new shooter and repeat the process until a winner is determined. Once all players on a team have been selected as shooters, the coach may then choose any player from his roster to shoot again.
